

2020 ANNUAL REPORT

A MESSAGE FROM OUR CEO

The past year posed some significant challenges for the VIC, and our nation. COVID-19 impacted every part of our lives and how we supported our Veteran families in 2020. I am proud of what our teams have accomplished, even in the face of mandatory shutdowns and restrictions that forced everyone to rethink how they interact outside of their homes and when seeking assistance. Although many companies did cut hours, staff, or shut down services, the VIC doors remained open every day to support our Veteran families in need. Our mission was to ensure that Veterans would not feel impacted by COVID-19 when they are already dealing with the most difficult situation in their lives. As we move into 2021, the VIC celebrates 15 years of service to Veteran families in New Mexico. I believe that we have great team members dedicated to ensuring the wide array of services the VIC offers continues to be the most comprehensive, and in many situations, the only resource offered to all Veterans anywhere in our state. We hope you will celebrate this wonderful milestone through volunteerism or donation support of the VIC, but either way we hope you will help us thank and honor our nation's Heroes as we support their needs *"Beyond the Battlefield"*.

- Bobby S. Ehrig, CEO, Combat Wounded Veteran

How **YOU** Can Help End Veteran Homelessness

It is often easy to forget about the incomparable sacrifices these men and women have made for our country, as well as the many challenges they face upon returning home.

Your donation-whether \$1 or \$500 all adds up to help a Veteran family in need.
Here's how you can help:

\$25: Give clothing with a pair of shoes and pants

\$50: Give warmth with a winter coat, hat, and gloves

\$100: Give food by providing groceries for a family of 4 for one week

\$500: Give safety with 2 weeks of Emergency Housing and food

\$1,000: Give comfort by providing furnishings and household items for a Veteran family's new household as they move into permanent housing

\$2,500: Give the gift of home with deposit, rental assistance, and furniture for a Veteran family of 4 moving into permanent housing turning a "house" into a "home"
